

include/language.h

```
graph TD; A[include/language.h] --> B[vector]; A --> C[wordlist.h];
```

The diagram illustrates a header file dependency. At the top, a gray box labeled 'include/language.h' has two blue arrows pointing downwards to two white boxes. The left box is labeled 'vector' and the right box is labeled 'wordlist.h', indicating that 'include/language.h' includes both of these files.
